## Is War In Isreal The Sign Of End Times?

**H**istorically, the new nation of Israel has passed through war and countless conflicts. The costliest war was the Yom Kippur War in 1973, with over 6,000 Israelis killed and 15,000 wounded. Almost 50 years later, the state of Israel is engaging in another war with Hamas. Many readers may feel that we should have focused more on powerful nations like the USA, Russia, China, and other great nations that control the world economy, rather than a tiny nation like Israel. However, we need to recognize that the nation of Israel will play a key role in the events of the last days, according to Ezekiel 37 and 38.

One of the prophecies explains the regathering of the Israelites, which was fulfilled in 1948 when Israelis, who were globally dispersed for 1,900 years, regathered again. The second prophecy predicts a war against Israel by all nations, known as the war of Armageddon, in the last days. What we are witnessing now is a build-up to the war of Armageddon, according to Zechariah 12:3-4: "I will make Jerusalem like an intoxicating drink that makes nearby nations stagger 4. On that day, I will make Jerusalem an immovable rock. All nations will gather against it to try to move it, but they will only hurt themselves" (NLT).

The first part of this prophecy is the sign that sets the prophetic clock ticking. With this ongoing war, the nation of Israel has become an intoxicating drink, not only to nearby nations that attack and stagger but also to the international community that condemn Isreal actions. There has been worldwide protest and legal actions like South Africa ICC complain, all these illustrate the "intoxicating drink" metaphor. Nations are indeed stumbling over Jerusalem and this war is a precursor to the ultimate battle of Armegeddon.

As Christians, this is the time to remember what Jesus said in Luke 21:28: "Now when these things begin to happen, look up and lift up your head, because your redemption draws near." Christ's coming is drawing nearer; we should ensure we are in Christ.

Finally, let us pray for a peaceful resolution to this war and that God should comfort those who have lost loved ones in Israel and Palestine."

**SIGNS THAT INDICATE  
YOU ARE PASSING  
THROUGH SPIRITUAL  
WARFARE.**

This world is a battlefield, and believers occupy the front lines in these battles. If you are living as light in this dark world, you

definitely encounter spiritual warfare through challenges that will come your way from time to time. These attacks are non-negotiable, and Satan is willing to unleash them without any permission. As the Bible says in 1 Peter 5:8, "Be alert and of sober mind, your enemy the devil prowls around like a roaring lion looking for someone to devour."

Let us examine some of the signs of spiritual attack. Continuous temptations and lustful desires in the heart are a sign, as well as feelings of condemnation and guilt after praying for forgiveness of sins. Spiritual attacks in dreams or physical danger, uncontrollable feelings of fear and despair, and sicknesses and diseases that defy medical solutions are also indicators. Additionally, constant attacks from robbers, whether physical harm or theft, and suicidal thoughts that occupy your heart are all signs of spiritual warfare.

Now that you know the major power behind your struggles, you don't need to feel dejected again. The archenemy is trying to stop you, but with the living words of God, you will overcome. Mark this in your spirit, and take it as further instruction in your spiritual journey. Spiritual warfare is not about overestimating the activities of Satan and demons; it is about acting on the undiluted words of God through the power of God's spirit in order to overcome our battles. If you can live in the words of God, no power in this world can stop you. The best medicine for all the challenges in this fallen world is the words of God. Let the light of God's words guide your path and bring you out of the darkness of spiritual attacks.

## THE RISE OF NON CHRISTIAN EUROPE.

In the past, missionaries were sent from Europe to the rest of the world to spread the message of Christ. However, in this century, we are witnessing a significant shift. Europe is increasingly becoming a post-Christian continent, with both young and old people turning away from faith. This trend indicates a need for renewed evangelization efforts in Europe, which has now become a mission field in its own right.

Committed and dedicated missionaries are needed to minister to the people of Europe, many of whom have lost touch with their Christian heritage.

We must pray for the people of Europe, asking God to open their eyes to the truth of the Gospel. Additionally, we must pray for missionaries working in Europe, that the Holy Spirit may ignite the fire of revival through them. May God use them to bring renewal and transformation to this continent, which was once a stronghold of Christianity.

Let us intercede for Europe, asking God to revive His work in this continent and renew the faith of its people. May Europe once again become a beacon of hope and light, shining the message of Christ to the rest of the world.
