Is War In Isreal The Sign Of End Times?

**THE PROMISE LAND AND THE
IRREVERSIBLE COVENANT.**

"All the land which you see, to you will I give it, and to your seed forever" Genesis 13:15.

The journey to the establishment of God's irreversible covenant with Abraham and his descendant started with God's call to Abraham to abandon his homeland and relocate to the land that He would show to him(Genesis 12:1)

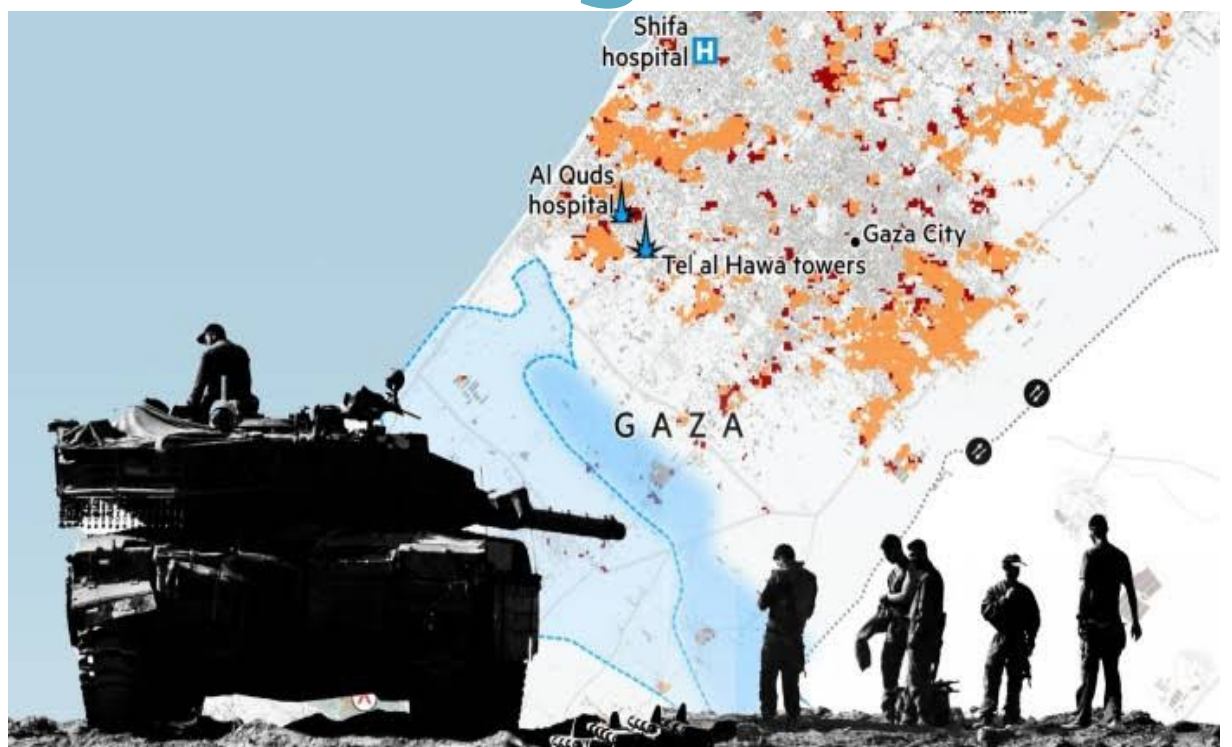

He was asked to move round the land on two occasions with promises from God that he would become "a great nation" , he would be a channel of blessing to others and it would be right decision to be friend with him and detrimental to be hostile to him. Although, he never had ownership of any of the land, except the plot he purchased for the burial of Sarah. Genesis 12:6-9, Genesis 13:14-18, Genesis 12:2-3.

In Genesis 15, God formerly entered into unconditional covenant with Abraham, God pledged the land to Abraham and his descendant forever. This agreement was all on God's side, no obligation is upon Abraham, except the rite of circumcision from him and all his descendant.(Genesis 17:11)

God clearly told Abraham in Genesis 17:19, that this covenant would be with the family stemming from his second born(Isaac) and later on, God reaffirmed the covenant to Isaac and Jacob(Genesis 36:3, 28:13-14, 35:11-12.

**THE SCOPE OF THE LAND COVERED BY THE
COVENANT.**

" In the same day, the Lord make a covenant with Abraham saying, unto your seed have i given this land, from the river of Egypt, the river Euphrates, the kenites, and the kenizzites and the kadmonites and the Hittites,

and the Perizzites, and the Rephaims and the Amorites and the Canaanites and the Girschites and the Jebusites"

The geographical land mass contain in the covenant include: some part of Egypt, Syria, Turkey, Sudan, Iraq and the whole land mass of modern location of state of Israel, Gaza, Jordan, West bank and Lebanon.

David and Solomon ruled all these lands promised to Abraham (2Samuel 8-10). Although, we see partial fulfilment of this covenant in the present state of Isreal but the full manifestation of this covenant await the millennium reign of Christ.

CHRIST MODEL OF SPIRITUAL WARFARE PART 3

Boundaries are set in spiritual warfare not only for victory but to ensure the safety of Christian soldiers. Survival in spiritual warfare is based on the boundaries set by the scriptures. It is unfortunate that we witness many casualties in Christian fold because of the failure to walk within the boundaries set by the scriptures. In the work of creation, God set boundaries. He divided the land from the sea, he created light and separate it from darkness, he separated day from night. In the garden of Eden, God set boundary for Adam and Eve.

He told them that they can eat of the fruit of the trees of the garden except the fruit of the tree which is in the midst of the garden.

HUMAN STRUGGLE WITH SPIRITUAL BOUNDARIES.

We always find it difficult to stay within the boundaries that God has set in His words. Even most of the messages of scriptures we understand get relegated to the background whenever we want to make our major decisions. We often fail to express our desire and will power to stick to God's instructions.

WE ARE FREE TO CHOOSE BUT NOT FREE FROM THE CONSEQUENCES.

God has given us freedom to choose how we respond to God's boundaries. We are free to choose but we are not free from the consequences of our choices.

The instructions from Jesus to pray for our enemies, forgive those that offend us and to refrain from mental sex are not restrictive to our freedom. These instructions are for our good and victory in the battles of life.

PRAYER FOR THE NATIONS

GOD'S SUPERNATURAL VISITATIONS IN IRAN

God has stretched his hands to open an age long iron gate in the nation which was referred to as the kingdom of Medes and Persia In the Bible.

Mike Ansari, the owner of the popular Christian Satellite Channels in Iran said the revival started at the time of Pandemic.

According to Christian Broadcast Network (CBN)report, Christianity is growing faster in Iran than anywhere in the world, with roughly 3000 Iranians accepting Christ as their Lord and Savior every month. What could have caused this outbreak of revival in environment that promote harsh policies against Christian faith? This revival could be viewed in two ways.

SOCIAL POLITICAL DIMENSION

The government could not deliver the mandate on freedom and economic development. So, out of disappointment most of the youth turned to social media and find answers to all their pains and disappointment through Christ message. They found hope and experience peace of mind. These new convert share the links with their friends and within short period of time, there was a secret outbreak of revival in Iran.

SUPERNATURAL DIMENSION

The Holy Spirit is moving mightily in Iran. There are reports of people having dreams and visions. God speak directly to some people and miraculous conversion occurs on daily basis despite constant arrest and imprisonment of Christians in the nation.
