THE HEAVENLY MANDATE

We give glory to God for His unabated love and compassionate heart towards us. He extends His love to all classes of people; men, women, teens and youths.

God has plans and divine purposes for different categories of people in the body of Christ. Women are the beauty of the church; the men are the strength of the Church and the youth are the future of the Church.

We thank God for the online publication of the maiden edition of the "Voice of the spirit bulletin*" last year, which focuses more on the adults.

Towards the end of last year, God told the Senior Pastor to focus more on the future generation of the church (Youths). Apart from the Campaign of Peace to Youths all over the world that has been earmarked for this year, we also feel the dire need to launch the maiden edition of another E- Bulletin which is tagged *Youth Arise* with English, French, Spanish and Portuguese versions. We believe that God will use this E-Bulletin to restore, build up and establish our youths in the faith of our Lord Jesus Christ. Amen.

FLY FROM YOUTHFUL LUST

ROMANCE WITH MENTAL SEX

(Matthew 5:28) *"But i say to you, anyone who stares at a woman with lust for her has already committed adultery with her in his heart"*

Jesus in His revelation about adultery, said by just looking at a woman or a man with lustful eyes and heart, fornication or Adultery has already been committed.

If this is Jesus' standard of adultery, what can we say about Christians that watch nude films of men and women on T.V and also vast majority of Christian youths that believe nothing is wrong by reading books that arouse sexual urge. Listen to this, the foundation of fornication normally starts with mental sex.

So, what do you sow into your mind? Is it nude films of men and women? Is it books that arouse your sexual urge, digital films or pornography materials on the internet?

(Galatians 6:8-9) says" For he that sow to his flesh shall of the flesh reap corruption, but he that sows to the spirit shall of the spirit reap life everlasting" Life of immorality starts with lust in the heart, which is normally propelled by the kind of worldly materials we expose ourselves to. I want you to mark this in your spirit man "The journey of immorality is filled with empty promises and great sacrifices, why will you spend your precious time to labour for hell?" May God help you to hold unto the faith in Christ to the end. Amen.

POWER FROM THE MOST HIGH

(Acts 1:8) *"But you shall receive power after that the Holy Ghost is come upon you...."*

There are many Christian youths that are panting for the power of God and in a bid to search for knowledge get entrapped by the tragedy of modern-day Pentecostal dogma that mistakenly believes the beginning of a journey is its destination. Many of the youths that are longing for the power of God have been made to believe that the moment they received the initial baptism of the Holy Spirit and they can mutter some words, (which they often teach them) they have the power of God in them.

We need to ask ourselves this pertinent question:

Why is it so difficult for us to manifest the raw power of God like our fathers of faith despite hundreds of thousands of Christians who speak in tongues? We should know that something is definitely wrong with our teachings.

There is always a process of receiving power but it is always after the Holy Spirit has come upon us. Holy Spirit is the gateway to the power of God. The Holy Spirit must first come to break the ground, depending on how fast we learn and cooperate with the Holy Spirit, then, the power will finally come. *There are cases where the Holy Spirit and power come together at once*, we should be very careful not to take this as a rule.

This happens once in a while base on God's sovereignty. In the next edition, we shall look at the Biblical processes that will put an end to dry and empty Christian life and put us on the right path that leads to the Power from the Most High.
